

RECOGNIZE A SCAM

Keep this next to your phone and computer. Use it to recognize when you might be the target of a scam.

ASK YOURSELF THESE QUESTIONS:

Are they pressuring me to act quickly?

Are they asking me to buy gift cards or send cash?

Are they asking me for personal information?

Are they asking me to keep something secret?

IF THE ANSWER TO ANY OF THESE QUESTIONS IS YES:

Do not do anything they ask of you.

End the conversation as you see fit.

Speak to someone you trust about what happened.
